

Children's Day - November 14, 2008

MIS celebrated Children's Day on November 14, 2008. All the students of the school were treated to a much awaited carnival. There were about 30 games stalls for junior and senior sections managed by teachers and students. The prizes for all the games were co-sponsored by Mother's Blossoms. Different stalls for food were organised by the school which was well appreciated by all present.

Mother's Blossoms treated every student (2,200) with two munch chocolates on the occasion.
